Re: JOINT PETITION OF CAESARS INTERACTIVE ENTERTAINMENT NEW JERSEY, LLC AND BETFAIR INTERACTIVE US, LLC TO CONDUCT INTERNET GAMING RELATED BUSINESS PURSUANT TO N.J.S.A. 5:12-92a(1)(PRN 2671402)

Dear Ms. Guveiyian and Mr. Fikry:

The Division of Gaming Enforcement ("Division") has completed its review of PRN 2671402 which seeks authorization, pursuant to a Data Center Sublicense Agreement between Caesars Interactive Entertainment New Jersey, LLC (holder of Internet Gaming Permit NJIGP 13-006) and Betfair Interactive US, LLC, an applicant for internet casino service industry enterprise licensure. The Data Center Sublicense Agreement, dated September 22, 2014 will allow Betfair to locate its equipment related to the operation of its real money, internet based iGaming operations in New Jersey at Caesars.

Therefore, pursuant to N.J.S.A. 5:12-92a(1) and N.J.A.C. 13:69J-1.2B, and for good cause shown, internet gaming related business transactions between the petitioners are deemed to be approved for a term to expire six months from the date of this Order and subject to the representations contained within the joint petition as well as the agreement noted above as well as with the understanding that this approval is limited to the Data Center Sublicense Agreement which was submitted. Any additional contracts entered into outside this agreement must be submitted to the Division for review and approval. Further, petitioners must maintain and make available for inspection, upon demand by the Division, any records regarding the business transacted. Moreover, any changes to the current agreement must be reported to the Division within five (5) business days. It is further provided that any new business transacted pursuant to

this approval be reported to the Division within the time frames set forth in N.J.A.C. 13:69J-1.2B(a)1iv.

Sincerely,

Date: September 24,2014
